EUROcounter EC

[p]art of perfect presentation

EUROcounter EC

Part of perfect presentation

EUROcounter EC is the classic line in counters. The secret of a good presentation lies in the simplicity of its design and EUROcounter EC is suitable for all purposes. In this classic line portability and being lightweight are compatible to the elegant and stylish design of the counters, permitting you to build and design to your requirements.

Present yourself in style!

SONY Czech using EUROcounter EC to exhibit a new range of cameras. ▶

EUROcounter EC used by ADVEAL, s.r.o. ◀

▶ A presentation of BEMEX BOOT, s.r.o. using EUROcounter EC and EURObanner at the annual exhibition boat Brno.
