EUROtower

part of perfect presentation

EUROtower adds a new dimension of versatility to portable displays. Solid, reliable and above all noticeable EUROtower makes a strong and lasting impression anytime; and when backlit creates a powerful image that reinforces the marketing message of any product.

Let your message stand tall!

▲ EUROtower, back-lit with translucent panels, designed for Reklama 2004 in Prague.

▲ Presentation in Versailles by TOP IMAGE using EUROtower with a showcase and acrylic shelf.
